PROFESSIONAL SUMMARY

MCA student specializing in AI Automation, Machine Learning, and Full Stack Development. Experienced in building AI Agents, Local LLM applications, automation workflows, and web applications using Python, Java, Streamlit, and SQL. Passionate about solving real-world problems through AI-driven products and scalable software systems.

TECHNICAL SKILLS

Programming Languages: **Python, Java, C, SQL**

Artificial Intelligence: **Prompt Engineering, AI Agents, Ollama, Local LLMs, NLP, AI Automation**

Web Development: **HTML, CSS, JavaScript, Streamlit, REST APIs**

Databases: **MySQL, Supabase**

Tools & Platforms: **Git, GitHub, VS Code, Postman, Ollama, Supabase, Postgres SQL**

Core Concepts: **OOP, Data Structures & Algorithms, DBMS, Operating Systems, Software Engineering**

PROJECTS

AI Training Diary Agent | Python, Ollama, NLP

- Built an AI-powered diary generation system using Python and Ollama.
- Automated transcript cleaning, translation, note generation, and knowledge extraction.
- Processed multilingual training transcripts and generated structured reports.
- Reduced manual documentation effort by over 80%.

AI Image to PDF Converter | Python, Streamlit, OCR

- Developed a file optimization platform using Python and Streamlit.
- Compressed images and PDFs while preserving quality.
- Added batch processing and storage optimization features.
- Implemented OCR-based text extraction and image enhancement capabilities.

AI Influencer Management Platform | Python, AI Automation, Android

- Developed an Android-based influencer management platform.
- Automated campaign tracking, content planning, and engagement analytics.
- Designed scalable workflows for influencer performance monitoring.
- Integrated AI automation to streamline reporting and management.

Telegram Loot Bot | Telegram Bot API, n8n

- Built a Telegram bot using Telegram API and n8n automation.
 - Automated user verification, referral tracking, and reward management.
 - Designed workflow automations for campaign execution and notifications.
-

EDUCATION

Master of Computer Applications (MCA) | Silicon University, Bhubaneswar | 2025 – 2027

Bachelor of Computer Science (B.Sc.) | Ravenshaw University, Cuttack | 2022 – 2025

Class XII | Venkateswar English Medium School | 2022

Class X | Sri Sathya Sai School | 2019

CERTIFICATIONS

- **Claude 101** – Anthropic Academy
- **Prompt Engineering**
- **Machine Learning Fundamentals**
- **Git & GitHub**
